Dear Parents/Guardians

Pearson Edexcel A-Level Revision Guides

The Mathematics department will be ordering revision guides material to support your son/daughter further to cover the Edexcel Mathematics Course. The revision guides are from Pearson Edexcel. The books we recommend are listed below:

Revise Pearson Edexcel A-Level Revision Mathematics Guide - £5.40

Revise Pearson Edexcel A-Level Mathematics Workbook - £5.49

The following book will only be available in January, however orders may still be placed:

Revise Pearson Edexcel A Level Mathematics Practise Papers Plus - £5.49

Every topic is clearly explained with straightforward revision notes, helpful examples and full-colour diagrams in the Revision Guide. The workbook has the exercise to work through based on the revision guide. It covers all of the content in the examination. There are practice questions for each topic, with answers included at the back of the book.

If you wish your son/daughter to purchase a revision guide, please complete the reply slip below and return it to the **Maths Department by Monday 22nd November 2018.**

Yours sincerely
