Dear Parents/Carers

A Level Psychology Grade Booster Workshop – Birmingham

You will be aware that the new reformed A Levels are now more challenging. As a result, to help support students, we would like to offer students the opportunity to attend the Psychology Grade Booster Workshop.

The Grade Booster Workshop will take place just a few weeks before the beginning of A Level examinations on **Friday 29th March 2019** at **The Vue Cinema, Star City, Birmingham**.

These last weeks prior to the start of examinations are critical to ensure that all students achieve or exceed their targets. The Grade Booster Workshop has been planned and designed by AQA Psychology teachers and examiners. Every aspect of the day applies to a specific part of the AQA Psychology specification and focuses on a specific examination skill or technique. The overriding purpose of the Grade Booster Workshop is to refine and sharpen student's examination strategies so they feel fully prepared for their A Level Psychology linear exams. This Workshop will build upon and compliment the examination preparation which will be taking place during Psychology lessons and students own independent revision – this is not to replace any work that the student should be undertaking themselves to prepare for the examinations.

The cost of the trip will be **£39.00** which includes entrance and transport. Students will require a packed lunch (no glass bottles please) as food and refreshments will not be available at the venue.

Staff and students will travel by coach leaving from Brooke Weston at **8.45 am** and will return at approximately **5.00 pm**. Parents are requested to arrange transport for their son/daughter from Brooke Weston.

Please note that due to limited spaces being available, these will be allocated on a first come first served basis. If you would like your son/daughter to take part in the trip, please complete the reply slip attached and return it to the **Finance Department as soon as possible**.

Yours sincerely

P Kirkbride
Associate Principal
