Dear Parents/Carers

School Visit by Author Ben Davis

On **Thursday 11th July 2019** the author Ben Davis will be visiting Brooke Weston. During the day he will be giving a presentation to students in Years 7 and 8 as part of new promotional tour for his new book 'What's That in Dog Years?' which is being published next week.

Ben will have available copies of his newest novel, and some of his other novels, that students will be able to purchase on the day for £6. We request that any student wishing to make a purchase bring the correct monies on the day.

After the presentation, there may be the opportunity for students to have their books signed by Ben in the library, time permitting.

Yours sincerely

P Kirkbride
Principal
