10th July 2019

Dear Parents/Guardians,

Forensic Science Day

The Science department are delighted to offer an opportunity for students in Year 10 to participate in a **Forensic Science Day** that will be held in school on **Friday 23rd August 2019**.

Students will be split into 2 groups and will take part in either a morning session or an afternoon session in the Weston Theatre. During the sessions, students will be given the opportunity to apply what they have learnt in lessons to real life situations and they will learn about different careers within Forensic Science.

This day is compulsory for Triple Science students but there are 20 spaces available to Combined Science students on a first come, first serve basis.

Please fill in the reply slip below and return it to Miss Sneddon in the Science department.

Yours sincerely

P Kirkbride
Principal
