Dear Parents/Guardians

Key Stage 3 Maths Afterschool intervention Scheme

I am writing to inform you that your son/daughter have been selected to attend an afterschool intervention scheme to support their progress in maths. This will give them the opportunity to achieve their full mathematics potential.

We would ask if you could arrange for them to stay afterschool every Thursday evening from **4:15-5:00pm** in the maths department. This will allow your child to receive specialist support in a small group setting, specifically practising the skills they need to achieve their target.

Although it is not an essential requirement for students to stay on afterschool, we would strongly recommend that if your child wishes to achieve their target that they do so.

Additionally, we would really appreciate it if you could encourage your child to stay focused in their maths lessons and revise at home using hegartymaths.com, mymaths.com or by buying a key stage 3 revision guide to help assist us in supporting them achieve their potential.

The first session will take place on **Thursday 10th January 2019**. Parents are requested to arrange transport for their son/daughter from Brooke Weston.

If you would like your son/daughter to attend these weekly sessions, please complete the reply slip below and return it to Miss Ironside in the Maths Department as soon as possible.

If you have any further questions then please do not hesitate to email your child's teacher or Miss Ironside on sironside@brookeweston.org.

Yours sincerely

P Kirkbride
Principal

**Brooke Weston – Reply Slip
Key Stage 3 Maths Intervention Scheme**

Student's Name **Tutor Group** **Roll No.**.....

I/We would like our son/daughter to attend the after school Maths Intervention sessions and agree to make the necessary travel arrangements from Brooke Weston.
